Professional Development Reflection and Planning Worksheet

Use this worksheet with each session to apply your learning to the needs of your classroom and our school.

Name _____ Date: ____/____/____

Session Title _____

Presenter(s) _____

Professional growth reason for selecting this session _____

Insights I gained from discussions and activities during this session:

Ways I can use these ideas and processes to impact student learning:

Ideas I want to consider, think more about, or explore:

Thinking about next steps:

Whom do I need to involve to successfully create a plan and implement the practices presented in this session?

What data will I need to gather and analyze to determine priorities for my practices in regard to what I learned in this session?

What professional development do I and other staff members in my school need to build the capacity to successfully implement the practices learned about in this session?

What resources (human, fiscal, etc.) are required?

Please complete then return to your building principal. These Reflection and Planning Worksheets will be shared professionally and posted in your building. Please keep your audience of fellow teachers, students, and parents in mind as you complete this worksheet. Thank you for your dedication to the teaching profession!
