Approximately 2 weeks after the photos are taken, you can go online to www.stephs-studio.photorefect.com. Click on the name of your school and enter your passcode in to view & order your image.

(Make sure to enter just the code and not the student's grade)

You can even see what the backgrounds will look like with your child's photo!

Take a LOOK! Please let us know if you have any questions. After photos are taken, your child will be given a copy of this letter. Passcode will be affixed to the yellow box on back of this letter.

Please keep this handy to look up their images.

If you do not receive another letter on picture day, please call the studio for your child's passcode. You can still fill out the envelope and turn in the order like in the past.

If you would not like the photo posted online, please contact Steph's Studio at 308-762-7655.

- * Please fill out your envelope and return to your child's teacher by picture day if you would like to order.
- * We will not print orders until they are paid in full.
- * Make sure to choose your background on your order envelope if you are placing an order.
- * To change your background after turning in an order envelope, you must call, email or message the choice to us within 4 days of the photos going online. Simply clicking on the background online does not tell us your selection.
- * One Student and Payment per envelope please. This eliminates many errors & delays.
- * If it applies, please keep Sport-Activity envelopes separate from Package Picture envelopes.
- * We will photograph all students for package pictures. Sport/Activity are on an order only basis.
- * If you missed handing in your envelope, you can bring it to Steph's Studio at any time. Orders and Reorders are always welcome.
- * If you are absent on picture day, there will be a make up day scheduled at the school or in the studio (if the school is in Alliance).
- * Make sure to select and pay for the blemish removal option if that is a concern. We do not retouch all images.
- * Visit <https://stephsstudio.com/school/> for more info & to print extra order forms.
- * Please sign up for our email notifications. You can customize what notices you receive.

Looking forward to some great pictures!
Thank you.

See you soon.
Sincerely,
All of us at Steph's Studio

How this "online" option works....

**If you turned in an envelope at school or the studio you do not need to do anything else online.*

Go to www.stephs-studio.photorefect.com

Passcode can be found on the sticker above- (It is just the number following students grade) or by calling Steph's Studio 308-762-7655

At this point you can see all the different backgrounds.

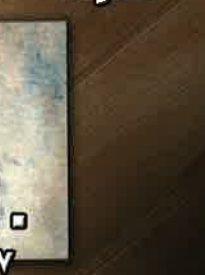

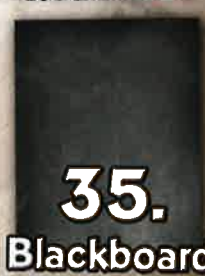

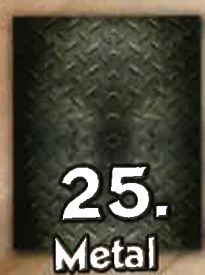

If you are not ordering online you must mark your background choice on your envelope. To change once turned in you must call the studio and tell us your choice within 4 days of images being posted online.

At this point you may place an order and go thru the steps of paying for the order if you like.

Questions?? - Please call Steph's Studio 308-762-7655
